## THE ROGUE REGENCY INN & SUITES EXPANDS ELECTRIC VEHICLE CHARGING OPTIONS WITH FOUR NEW CHARGE POINT STATIONS

Medford, Oregon April 24, 2023 - The Rogue Regency Inn & Suites is pleased to announce the installation of four new ChargePoint electric vehicle charging stations on its property. The new charging stations are now available to hotel guests and the public, offering a convenient and accessible way to recharge their electric vehicles while staying or visiting in the Medford area. The hotel will now be a convenient place to not only charge electric vehicles but allow visitors to enjoy the properties on-site services such as salon, spa, restaurant, sports bar, dog park, lottery and more.

As part of the hotel's ongoing commitment to sustainable practices and environmental stewardship, the addition of the ChargePoint stations provides an eco-friendly transportation option for visitors to the area. The new stations are capable of charging most electric vehicles at a rate of up to 25 miles of range per hour and are compatible with both CHAdeMO and CCS connectors.

"We are thrilled to expand our services to include electric vehicle charging options with the installation of these new ChargePoint stations," said General Manager, Bruce Hoevet. "As electric vehicles become increasingly popular, we want to make it easy for our guests and visitors to the area to access the charging infrastructure they need to stay charged and on the move."

The Rogue Regency Inn & Suites is conveniently located just off of Interstate 5 in Medford, making it an ideal stop for travelers and EV drivers passing through the area. The new charging stations are located in the hotel's parking lot, easily accessible for guests and visitors.

For more information on the Rogue Regency Hotel's new ChargePoint electric vehicle charging stations, please visit [www.roguregency.com](http://www.roguregency.com) or contact the hotel directly at 541-770-1234.
